CURRICULUM STUDIORUM AND ACADEMIC QUALIFICATIONS

Feb. 2014	<p>National Scientific Qualification (art.16 of the law 30 December 2010, n.240) <i>Scientific competition sector 08/F1 Pianificazione e progettazione urbanistica e territoriale (urban and territorial planning and design) – qualification for university associate professor</i> Period of validity of national qualification for university associate professor title (Abilitazione) from 03.02.2014 to 03.02.2018</p>
Jun. 2011 Feb. 2012	<p>Research Grant on “CIVES: citizen towards sustainability / CIVES - Cittadini verso la sostenibilità. Iniziative di supporto alla progettualità partecipata dalla Darsena al parco delle risaie” Research activities supporting an urban design process involving citizen and local committees in South-Western areas of Milano metropolitan area. Main topics: urban transformation process/trends, rural-urban partnerships, environment and urban landscape improvement, public space and public realm quality. Politecnico di Milano, Architecture and Planning Department, period June 2011- February 2012 (Official documentation: Rep. n°6/2011 Prot n° 213 – DIAP)</p>
Mar. 2009 Aug. 2009	<p>Research Grant on <i>Landscaping. From the regional planning to the local project / Fare paesaggio. Dalla pianificazione di area vasta all'operatività locale.</i> The DASTU Research unit of a National research (PRIN) “Lascaping / Fare Paesaggio” developed an historical, critical and comparative framework of policies (guidelines and design projects/programmes) of Lombardia Region aiming (or concurrent) to the European Landscape Convention implementation and a integrated landscape design project (regional and local scale) for the Local Park of “Terre dei Navigli” (a supra-municipal rural park located in Cremona province). Politecnico di Milano, Architecture and Planning Department, period March 2009 August 2009. (Official documentation: Bando di concorso per attività di ricerca del 2 febbraio 2009 ai sensi del Decreto Rettorale n. 57/AG del 12 giugno 2006 e s.m.i. del Dipartimento di Architettura e Pianificazione (DIAP))</p>
Dec. 2001 Dec. 2004	<p>Research Grant on <i>Environmental Planning Policies and Procedures / Politiche e procedure per la pianificazione ambientale, assegno annuale</i> Main topics developed: sustainable river basin management principles and approaches; integrated river basin management (identification of inter-sectorial institutional framework and critical/comparison from EU to Lombardy regional levels), planning instruments, territorial vulnerability assessment, resilience responses/strategies design; regional and local applications of territorial vulnerability assessment and planning/integrated strategic guidelines in Lombardy) Politecnico di Milano, Architecture and Planning Department, period December 2001 – December 2004. (Official documentation: Bando di concorso per attività di ricerca D.R. n. 594/psc del 16 luglio 2001, Dipartimento di Architettura e Pianificazione - Politecnico di Milano)</p>
10/06/2004	<p>PhD degree cum laude on <i>Urban, Territorial and Environmental Planning</i> (in Italian: <i>dottore di ricerca in Pianificazione urbana, Territoriale e Ambientale - XVI ciclo</i>) PhD thesis title: <i>Lands of the river. Floods, vulnerability and planning.</i> Architecture and Planning Department of Politecnico di Milano</p>
Mar. 2001 Mar. 2004	
10/07/2000	<p>Degree (master level) cum laude in Architecture, Architecture Faculty of Politecnico di Milano Degree thesis title: <i>The Ecological Integrated Network at Provincial Scale Planning. Project Proposal of Soncinasco Area</i></p>
Jun. 1992	<p>A-level Liceo Classico Statale Ugo Foscolo (classical studies), Pavia</p>

OTHER EDUCATIONAL/ INTERNSHIP EXPERIENCES

2016 IT	<p>Course: Verso una visione integrate delle politiche per il sistema rurale/ Towards an integrated vision for rural system, 14th of October 2016</p> <p>Specialised training course for Architects/Planner by Architects & Planners National Chart/Association (Consiglio Nazionale Architetti Pianificatori Paesaggisti e Conservatori - CNAPPC), Course code: CRLO08112016093842T03CFP00300</p>
2016 IT	<p>Course: Ethics and deontology for architecture / Ordinamento, Etica e deontologia per l'architettura, 26th of January 2016</p> <p>Specialised training course for Architects/Planner by Architects & Planners Roma provincial Chart/Association (Ordine degli Architetti di Roma), Course code: ARMI07102015124341T03CFP00600</p>
2015 IT	<p>Course: Contracts, competencies, rules: new responsibilities / Contratti, competenze, regolamento di disciplina: un percorso tra nuovi obblighi e nuove responsabilità, 16th of June 2015</p> <p>Specialised training course for Architects/Planner by Architects & Planners Venezia provincial Chart/Association (Ordine degli Architetti di Venezia), Course code: ARVE01072015164837T10CFP00400</p>
2014 IT	<p>Course: Territory and Environment in professionale practice /Territorio e ambiente nella pratica professionale, 2nd of October 2014</p> <p>Specialised training course for Architects/Planner by Architects & Planners Pavia provincial Chart/Association (Ordine degli Architetti di Pavia), Course code: ARPV03092014090401T03CFP00400</p>
2014 IT	<p>Course: Water management in Lombardy: module 1 urban protection; module 2 model based on experience / La gestione delle acque superficiali in Lombardia: modulo 1 nuovi bastioni a difesa della città, modulo 2 Un modello costruito sull'esperienza, 18th of September 2014; 23rd of September 2014</p> <p>Specialised training course for Architects/Planner by Lombardy Regional Architects & Planners Chart/Association (Consulta Regionale Lombarda degli Ordini APPC), Course codes: CRLO08102014153821T03CFP00400; CRLO07102014111649T03CFP00400</p>
2014 IT	<p>Course: Contracts and payment procedures for the professional services for public administration and bodies / Corrispettivi per le prestazioni professionali dei lavori pubblici, 12th of September 2014</p> <p>Specialised training course for Architects/Planner by Architects & Planners Pavia provincial Chart/Association (Ordine degli Architetti di Pavia), Course code: ARPV30072015155903T10CFP00400</p>
2014 IT	<p>Course: Municipal planning / La pianificazione comunale alla luce dei PGT, 22nd of May 2014</p> <p>Specialised training course for Architects/Planner by Architects & Planners Milano provincial Chart/Association (Ordine degli Architetti di Milano), Course code: ARMI14012015104550T01CFP00800</p>
2006 IT	<p>Intensive course on Hydrogeological risk</p> <p>Organised by Dipartimento Territorio e Sistemi Agro-Forestali - TeSAF (Università di Padova), Istituto di Ricerca per la Protezione Idrogeologica di Padova IRPI (National Researches Institute), Padova (26th, 27th, 28th of April 2006 and 3rd, 4th of May 2006)</p>
2004 EN	<p>Course: The process toward territorial cohesion in Europe</p> <p>Jean Monnet European Module 2002-2003, organised by Architectural and Planning Department, Politecnico di Milano</p>
Nov. 2002 February 2003 EN	<p>Internship: World Health Organisation - Regional office for Europe. Research project: CCASHH - Climate Change and Adaptation Strategies for Human Health (WHO tutor Bettina Menne), Roma.</p> <p>Internship research report: Case study Italy: the Po river basin flood risk to human health</p>
2001 EN	<p>Intensive Programme on Strategic Spatial Planning, SOCRATES programme.</p> <p>Aveiro University, Portugal, Programme co-ordinator: Prof. F. Moulaert (Lille University)</p>

MEMBERSHIPS

Since 2016 International	Member of Ecosystem Services Partnership (ESP) http://es-partnership.org/
Since 2015 Italian International	Member of National Board of SIEP-IALE, Regional Chapter of International Association for Landscape Ecology http://www.siep-iale.it/
Since 2013 Italian	Founding member and president of ResilienceLAB , Association on urban/territorial Resilience solutions (sharing, training, capacity building and dissemination activities/aims) www.resilienceclub.eu
Since 2015 European	Member of Sustainable Food Planning thematic group of Association of European School of Planning, <i>Association of European Schools of Planning</i> http://www.aesop-planning.com
Since 2015 International	Member of Urban Climate Change Research Network (UCCRN) http://uccrn.org/
Since 2008 European	Founding Member and member of Coordinating Board of the Resilience and risks mitigation strategies thematic group of Association of European School of Planning <i>Association of European Schools of Planning</i> (http://www.aesop-planning.com/)
Since 2003 Italian	Member of <i>Associazione Analisti Ambientali (assessment environmental association – scientific and professional association on environmental assessment)</i> , Since 2016 Member of National Board of association http://www.analistiambientali.org/
Since 2002 Italian	Member of Ordine degli Architetti, pianificatori, paesaggisti e conservatori della provincia di Pavia (architects and planners official chart/association, Pavia province), 4 th May 2002 Code: Settore A (Architect and planner), n. 752

INVOLVEMENT IN REGIONAL/EUROPEAN FORUM/WORKSHOPS AS EXPERT

Since 2012 Involvement in regional/European forum/workshops as expert

- Workgroup for the Milano Resilient city / 100RC “100 Resilient Cities” (100RC), organised by Milano Municipality and Rockefeller Foundation, 7th July 2015, Palazzo Marino, Milano
- Member of scientific committee of international symposium AGRITECTURE & LANDSCAPE, Triennale di Milano, organised by Consiglio Nazionale degli Architetti Paesaggisti Pianificatori Conservatori and PAYSAGE, Milano, 25th June 2015
- Member of international jury of international Landscape design Prize AGRITECTURE & LANDSCAPE AWARD, AGRITECTURE & LANDSCAPE symposium (<http://www.paysage.it/agritecturelandscape/index.php?page=ilpremio>)
- RAMSES (Reconciling Adaptation, Mitigation and Sustainable Development for citiES) 2nd Stakeholder Dialogue on “Drawing Pathways towards the Resilient City: Identifying vulnerabilities, empowering decision-making, fostering change”, 11th May 2015, European Environment Agency, Copenhagen, Denmark
- METREX [The Network of European Metropolitan Regions and Areas] Brussels Autumn Conference on the themes of: "Sustainability and the METROPOLITAN Dimension to European affairs. Governance, Macro regions, Low carbon strategies and Metropolitan mobility, Representation of the State of Baden-Württemberg to the European Union Brussels-Capital Region, 8th October 2014
- Expert Workshop: Recommendations for Urban – Rural Partnerships, URMA INTERREG IVC (Urban-Rural Partnerships in metropolitan areas), 15th April 2014, Hanse Hoffice, Bruxelles

- Cities of Tomorrow: Investing Europe Forum, organised by European Commission, Directorate General for Regional and Urban Policies, 17th-18th February 2014, European Commission, Charlemagne Buildings, Bruxelles
- Forum on “urban/rural systems topics”, SEA of Regional Development Plan (EU ERDF) and Regional Agricultural Program (EU EAFRD) 2014-2020, Lombardy Region, December 2013 – January 2014
- OECD 9th Rural Development Policy Conference, Rural – Urban Partnerships: an integrated approach to economic development, OECD, 23-25 October 2013, Bologna

Fondamenti di Urbanistica (Italian course on planning/urban planning principles)

Degree program in Architecture and Building (Italian degree program - Architettura e Produzione Edilizia), School of Architecture and Society (I Architecture Faculty/School), Politecnico di Milano

<p>Academic year 2014/2015 2013/2014 EN Teaching Assistant</p>	<p>Teaching Assistant Course of Design Studio Lab A, International Master of Science program in Architectural Engineering, School of Building Engineering and Architecture, Politecnico di Milano (international course in English language)</p>
<p>2011/ 2012 IT Tutorship</p>	<p>Tutorship activities Tutorship in research grant program of <i>Banca Del Monte di Lombardia bank foundation "Progetto Professionalità 2010"</i> (research grant project for young researcher). Monte di Lombardia bank Foundation, period March 2011-October 2012</p>
<p>2006 EN Tutorship</p>	<p>Tutoring in the workshop <i>Il Nodo di Novara (Novara city)</i> Workshop organised by Alta Scuola Politecnica (Politecnico di Milano and Politecnico di Torino) Università del Piemonte Orientale, Novara, 25th -27th September 2006</p>
<p>2001 - 2005 IT Tutorship</p>	<ul style="list-style-type: none"> • 2004/2005, tutorship (cultore della materia) in <i>Urban Projects and Environmental assessment</i> course Prof. M. Magoni, Architecture School of Politecnico di Milano • 2003/2004, tutorship (cultore della materia) in <i>Regional and cities analysis</i>, Prof. Maria Cristina Treu and Alessandro Pittaluga, Architecture School of Politecnico di Milano • 2001 -2003, tutorship and tutoring (cultore della materia) in <i>Environmental Planning Course</i>, Prof. Maria Cristina Treu, Architecture School of Politecnico di Milano
<p>Lectures</p>	<p>Seminars and lectures in several university courses Main lectures topics</p> <ul style="list-style-type: none"> • Lecture: Learning from Farini (IT), course of Progettazione Urbanistica (urban desing), prof. Vito Redaelli, Architecture degree, Piacenza Campus, School of Architecture of Politecnico di Milano, AA 2016/2017 (4th of November 2016) • Lecture: Resilient city practices investigation (EN), course of Urban Planning and Design Studio, prof. Bertrando Bonfantini, Master degree program in Planning, School of Architecture of Politecnico di Milano, AA 2016/2017 (2nd of November 2016) • Lecture: Resilient city _ Conceptual reframing and practices investigation (EN), course of Contemporary Cities Course, prof. Jörg Knieling, Master degree program in Planning, School of Architecture of Politecnico di Milano, AA 2015/2016 (13rd of May 2016) • Lecture: approaches towards resilient cities (EN), course of Methods and tools for analysis of urban and territorial systems, prof. Giulia Pesaro, Master of science degree in Management of built environment, School of Architecture of Politecnico di Milano, AA 2014/2015, 2015/2016, 2016/2017 • Lecture: Understanding the context Approaches, techniques and models (EN), course of Project appraisal techniques, prof. Alessandra Oppio, Master degree program in Architecture, School of Architecture and Society of Politecnico di Milano, AA 2007/08, 2009/10, 2010/11 • Lectures on urban design, greater London plan, public space, green network design (IT), Urban planning course, prof. Marcello Magoni and MC Treu, School of Architecture and Society of Politecnico di Milano, AA 2007/08, 2009/10, 2010/11 • Lectures on: SWOT analysis, urban design: principles and best practices in London, public spaces design and green urban network, understanding the context: knowledge methodologies in urban design (IT) in Urban planning course, prof. Marcello Magoni and MC Treu, School of Architecture and Society of Politecnico di Milano, AA 2007/08 • Lectures on Green network and urban spaces quality (IT), course of Territorial and urban Ecological network, Prof. Carlo Peraboni, school of Architecture and society of Politecnico di Milano, AY • Lecture on Local Agenda21: Italian implementation (IT), Environmental Management Methodologies course, prof. Marcello Magoni, school of Architecture of Politecnico di Milano, AY 2005/6 • Lecture: Lands of the river: vulnerability and planning (IT), School of Building Engineering and Architecture of the Politecnico di Milano, Lecco, 15th April 2005 <p>Lectures (IT) at Master (first level master) in Protezione civile – Civil Protection, Lecco Campus, Politecnico di Milano, Lecco, 30th November 2005, 16th December 2005 and 11th January 2006. Lectures topics:</p> <ul style="list-style-type: none"> • <i>institutional framework on soil defence in Italian context</i> • <i>Po river basin experience and law 183/89 implementation</i> • <i>international policies and the best practices on sustainable river basin management</i> <p>Teaching supporting activity in studio-like class (IT). School of Building Engineering and Architecture of Politecnico di Milano (Lecco Campus), Academic Year 2004/2005</p>

The **seminars activities** were focalised on Territorial and urban context analysis; Analysis/data synthesis and representation (cartography); Urban transformation case studies; Public spaces projects and process (criteria and case studies); Urban Green network and natural areas planning and project (criteria and case studies); Building project integration in the urban environment (mobility, landscape and environmental aspects).

Lectures and seminars (IT) in Master (first level master) in *Protezione civile - Civil Protection*, Lecco Campus, Politecnico di Milano, Lecco, November-December 2003. Main Topics:

- *flood risk prevention non structural measures (Italian institutional framework)*
- *territorial vulnerability assessment (flood risk)*
- *vulnerability assessment case-studies*

Thesis Supervisor

Since Academic Year 2007/2008 supervisor of several degree and master degree thesis and member of commission of the final degree examination of:

Degree commission member

- *Master degree program in Architecture and building engineering (Italian master program - Ingegneria Edile-Architettura), School of Architecture, Politecnico di Milano*
- *International Master of Science program in Building architecture, School of Building Engineering and Architecture, Politecnico di Milano (international course in English language)*
- *Degree program in Architecture and Building (Italian degree program - Architettura e Produzione Edilizia), School of Architecture and Society (I Architecture Faculty/School), Politecnico di Milano (period 2007/2014)*

Internship supervisor

Since 2013 supervisor of internships activities for Architecture and Urban Studies Department. Main topics of internships developed by students:

- *European Transition Towns*
- *Resilient cities: what resilience in “resilient cities” programs and proposal*
- *EXPO 2015 case study: projects and bottom up experiences*

TEACHING ACTIVITIES

(capacity building/specialisation and technical courses)

2016 IT Professional course (for technical staff of Regional/municipal administrations) on **“evaluation of urban regeneration process”**

Expert on “Urban Resilience” (Activities: position paper/input documentation on urban resilience and urban regeneration, Lecture and Seminar, participation of a workshop and participation in the organisation/coordination of the course)

Emilia Romagna Region (DG territorial and regional development), July 2016-December 2016

2015,2016 EN Lecture, **Food planning**

Post-graduate specialisation course **“COOPERA(C)TION” knowledge and competences for sustainable cities of Global South**, Architecture and Urban Studies Department, Politecnico di Milano (Lecture in the 2015 and 2016 editions of the Course; web site: <http://www.labcoopint.polimi.it/en/course-post-graduate-programme-cooperation/>)

2014, 2015 EN Lecture, **Urban-rural partnership. Strategies role and value of peri-urban areas in URMA project**

Workshop “Spatial and Landscape Planning in Eu and in Lombardy”, prof. Luisa Pedrazzini, DASTU, Politecnico di Milano, 23rd of May 2014 e 24th of May 2015

2014 EN Lecture, **Resilience approaches to urban and regional development (EN)**

Post-graduate specialisation course **“COOPERA(C)TION” knowledge and competences for sustainable cities of Global South**, Architecture and Urban Studies Department, Politecnico di Milano.

2014 IT Coordinator/Director of the Capacity building course on **“Territorial and Urban Resilience”** hosted by Cariplo Foundation (Capacity building activities)

Capacity building course on “Territorial and Urban Resilience” hosted by Cariplo Foundation (Capacity building activities) and organised by RESilienceLAB

Modules:

- 01.04.2014, A – Urban Resilience approaches and instruments (lectures by A.Colucci, G.Pesaro, S.Pezzoli)
- 08.04.2014, B – issues and solutions of urban resilience: projects and practices for public spaces and commons (lectures by A.Colucci, R.Adami, G.Gibelli)
- 14.04.2014, C – social resilience: process of reactivation of local communities for fragile urban contexts (organised with Paolo Cottino, Lectures by P. Cottino, F. Santaniello)
- 07.05.2014, D – Urban resilience practices and projects: Climate Change and ecosystem services (Lectures by L.Bisogni, L. Bono, M. Magoni, C.Cortinovi)

Lectures by Angela Colucci: **approaches of urban resilience** (01.04.2014); **practices of urban resilience: commons (public spaces, food and commons)** (08.04.2014)

2011 - 2012 IT/EN	Consulting activities for Fondazione Banca del Monte di Lombardia (Bank Foundation) Scientific Supervisor for the "research grant" program "Progetto Professionalità 2010" Fondazione Banca del Monte di Lombardia, period MArch 2011 - October 2012
2011 IT	Lecture: Urban Plans and Strategic assessment: new regional guidelines Official association of geometer of Sondrio provincial district (Collegio Geometri e Geometri Laureati della Provincia di Sondrio), Sondrio, 17 th June 2011.
2009 IT	Lecture: landscape and environment. Planning, design and assessment Official engineering association of Brescia provincial district, 24 th April 2009 Darfo Boario Terme (BS)
2008 IT	Lecture: planning and strategic assessment instruments (institutional framework and best practices) Professional course on Environmental Impact Assessment and Strategic Environmental Assessment, Fondazione Politecnico di Milano (Regione Lombardia educational project SPRINT), Milano, 12 th and 15 th September 2008
2008 IT	Official engineering association of Brescia provincial district Lecture: landscape and environment. Planning, design and assessment , 18 th April 2008, Darfo Boario Terme (BS)
2007 IT	Ecomuseo Cusius (Ecomuseo del Lago d'Orta e Mottarone) Lecture: La città: tra immagine e divertimento. Fantasia rappresentativa e nuove tecnologie (the image of the city) , Forum di Omega, Omega, 16 th March 2007
2006 IT	Ordine degli Ingegneri della Provincia di Varese Lecture: La Valutazione Ambientale Strategica: approcci ed esperienze (the strategic environmental assessment: approach and case studies) , Centro Congressi De Filippi, Varese, 12 th October 2006
2003 IT	Centro Studi Aziendali Seminar: Local Agenda21: Italian case studies Specialisation course on Environmental restoration and territorial management, Organised by Centro Studi Aziendali (Bologna), 28 th March 2003

RESEARCH ACTIVITIES

2017 EN/IT Senior Researcher	Member of EU project "Empowering climate resilience/CARE" ERASMUS+ programme [KA2 - Cooperation for innovation and the exchange of good practices - Capacity Building in Higher Education] Member of Architecture and Urban Studies Department Unit, Politecnico of Milano, January 2017
2016 EN / IT Senior Researcher	Member of Research team of "Polimiporocinha Environmental Performances and Social Inclusion: a project for the Rocinha Favela in Rio de Janeiro, based on IMM methodology" , research project winner of programme Polisocial Award 2015-2016 (http://www.polisocial.polimi.it/it/progetti/#) Member of coordination Unit of ABC Department, Politecnico of Milano, October 2016
2016 EN / IT Senior Researcher	Research consulting activities for Fondazione Lombardia per l'Ambiente INTERREG EUROPE INNOGROW "Regional policies for innovation driven competitiveness and growth of rural SMEs" (http://www.interregeurope.eu/innogrow/) Angela Colucci responsible for Co.O.PE.Ra.Te.srl, September 2016
2015 EN Expert	International Workshop (as expert in environmental and landscape planning) "Urban transition, a new Eco-district in Porto di Mare area in Milano" Organised by Politecnico di Milano - school of Architectural engineering, University of Cincinnati, IMMLab Lecco Campus of Politecnico di Milano, period 2-6 May 2016
2015, IT/EN Principal Researcher	Consulting research activities "Resilience Practices Observatory", Department of Architecture and Urban Studies Coordination of Observatory, research activities Angela Colucci responsible for Co.O.PE.Ra.Te srl
2015 EN/IT	Consulting research activities "URMA INTERREG IVc, Urban Rural partnerships in Metropolitan Areas", Lombardy Region, DG Regional and soil defence

Senior Researcher	<p>Implementation Plan</p> <p>Angela Colucci responsible for Co.O.Pe.Ra.Te. Ltd. (Angela Colucci resp.) by EUPOLIS (Lombardy regional Research Agency), period January 2014 – March 2014</p>
2014 EN Expert	<p>International Workshop (as expert in environmental and landscape planning) “Learning form Farini</p> <p>Organised by Politecnico di Milano - school of Architectural engineering, RESilienceLAB, IMMIlab</p> <p>Farini municipality, period 24-28 November 2014</p>
2014 EN/IT Senior Researcher	<p>Consulting research activities “URMA INTERREG IVc, Urban Rural partnerships in Metropolitan Areas”, Lombardy Region, DG Regional and soil defence</p> <p>Main research responsibilities/activities: Milano EXPO’2015 Pilot development (peri-urban areas characterisation, P/P framework, good practices and bottom up initiatives on environmental and local food chains, governance guidelines to Urban-Rural partnership in peri-urban areas); support to Lombardy Regional project manager in reporting/components, Pilot Report internal development</p> <p>Angela Colucci responsible for Co.O.Pe.Ra.Te. Ltd. (Angela Colucci resp.) by EUPOLIS (Lombardy regional Research Agency), period June 2014 – December 2014</p>
2011 2012 IT Senior Researcher	<p>Research “CIVES – citizen towards the sustainability”</p> <p><i>Research activities supporting an urban design process involving citizen and local committees in South-Western areas of Milano metropolitan area in-between the Navigli water courses</i></p> <p>Main research responsibilities/activities: thematic map and lectures, integration of institutional and local projects/proposal (integration of bottom up and top down proposals), environmental and landscape projects (urban regeneration, public space and public realm), integration between agriculture and urban functions (services/needs integration), communication and graphical activities</p> <p>Assigned to Angela Colucci by Architecture and Planning Department of Politecnico di Milano coordinator of the project RCM, Project realised with financial support of CARIPLO bank foundation, period January 2011 – February 2012</p>
2011 EN Expert	<p>International Workshop in Architecture and Urban design (as expert in environmental and landscape design) “LIVING PUBLIC”</p> <p>Organised by Politecnico di Milano, University of Queensland, University of New South Wales – Sydney, Griffith University, Gold Coast Campus.</p> <p>Griffith University, Gold Coast Campus,, Southport, QLD, period 11 – 22 July 2011</p>
2008 2010 IT Researcher	<p>National Research (PRIN) “Landscape. From the regional planning to the local project / Fare paesaggio. Dalla pianificazione di area vasta all’operatività locale”, Unit of Politecnico di Milano topic: multifunctional networks in the sprawled city. Interpretation of the phenomena and design proposal, Research supported by the Ministry of the University</p> <p>Main research responsibilities/activities: landscape management in Lombardy (the development of the regional instrument for the landscape management) and the Terre dei Navigli landscape design proposal.</p> <p>Member of the research Unit of Politecnico di Milano (coordinator M.C. Treu), period September 2008 – September 2010</p>
2009 EN Expert	<p>International Workshop in Architecture and Urban design (as expert in environmental and landscape design) “Overall Vision for the future development of the city of Usti nad Labem, Czech Republic”</p> <p>Organised by Thecnical University of Liberez, Politecnico di Milano (Lecco Campus), Universidad Autonoma de Barcellona</p> <p>Liberez, Thecnical University, period 5th – 13th September 2009</p>
2007 EN Expert	<p>International Workshop in Architecture and Urban design (as expert in environmental and landscape design) “Overall Vision for the future development of the city of Chisinau, Moldova”</p> <p>Organised by Lecco Campus of Politecnico di Milano Municipality of Chisinau (Moldova)</p> <p>Lecco, Lecco Campus of Politecnico di Milano, period 26th February 2007 – 10th March 2007</p>
